Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: Several of the amended claims do not properly enter or delete limitations as compared to the claim previously presented, i.e. additions are not underlined and deletions are not struck-through. Therefore it is difficult for the examiner to definitively ascertain what has been altered in the claims (Ex. claims 7, 9, 11, 13 and 25). Some of applicants amended claims have improper status identifiers, i.e. claim 10 is indicated as currently amended however contains no amendments and claim 11 is indicated original and contains an amendment although not properly entered. Applicant is advised to closely review the current claims presented to the examiner to correct these deficiencies.
